

Broadford & Strath Community Company

Isle of Skye

About the Trust:

Sustainability has always been at the core of its mission and its community work has widened overtime.

Challenges Faced:

Long-term and continued funding to support the variety of services delivered

Legal and accountancy costs of big projects

Core funding for full-time staff

Growers Hub:
during
construction

Some Projects:

- **Sustainable Tourism:** Community Camping site
- **Growers Hub:** community allotments, horticultural therapy, and partnership with local schools.
- **Active travel:** Cycle and Footpath network
- **Community Woodland**
- **Highland Community Waste Partnership:** Waste reduction initiatives
