

Glasgow Eco Trust

📍 West Glasgow: Yoker, Scotstoun and Whiteinch

About the Trust:

Aim to encourage climate-friendly behavioural changes while discussing climate change as part of a complex, interconnected issue covering inequalities, health and wellbeing.

Core Themes:

- **Transport**
- **Food**
- **Resource use**
- **Energy**
- **Spaces**

Challenges Faced:

Long-term and continued funding.
Relationship building with public sector.
Constantly changing public sector programmes

Some Projects:

- Heart of Scotstoun Community centre
- Food and Climate Action partnership
- De'ils On Wheels: Community bike workshop
- **Training:** Community Green Team
- **Community flight donation scheme:** community-led alternative to carbon offsetting
- Part of Glasgow Climate Action Hub partnership delivering community centre-d climate action project
